

FOR IMMEDIATE RELEASE

INTERNATIONAL WORLD OF VACATIONS RENEWS AGREEMENT WITH VP OF SOFTWARE ENGINEERING

October 2009 – International World of Vacations (IWW) recently renewed an agreement with Scott Vaughn to continue his role as Vice President of Software Engineering for three years. Scott has been instrumental to the design, programming and implementation of the IWW travel technology.

He is a graduate of Herzing College of Technology has been in the IT industry for over 13 years. His enthusiasm and drive has led him to obtain several IT industry certifications ranging from Microsoft Certified Systems Engineer to IBM hardware. Scott has worked in hardware and software design, and implementation for major companies like IBM, GE, Atari, and Lexmark.

Over the past 10 years, he has created advanced network solutions for both a major retail change and a local hospital. Most recently, Scott received his Masters in Information Systems.
